

Logo Contest!

Region 4 is accepting designs for the official log of Region 4 Gymnastics. The logo will be used on websites and apparel. This contest is open to anyone! Gymnasts, coaches parents etc. There will be a nominal prize yet to be determined. The winner will also be announced and given credit for his or her work. Please submit the designs to the state chairs and they will compile them all and forward to the regional officers.

Region 4 Website!

Region4gymnastics.com is undergoing a complete overhaul. From a new design to merging all the info from the 4 current sites into one. We will also be adding a google calendar, photo gallery, a hall of fame page, a "fan" page where coaches can upload info about their teams and of course everything related to regionals, training camps, rules etc. There will also be the links to the state and national sites. Please submit any photos you would like to be included to justin@midwesttwisters.com.
